As the summer draws to a close we wanted to let you know about some upcoming teacher changes and additions.

In **infants** please help us welcome Heather Loven who is joining us full time. She has worked in early childhood education since 2010. She holds a BS in Early Childhood education and is credentialed in NH as a Master Teacher with an Infant/Toddler endorsement.

In **preschool** Tracey is headed off to complete her year-long internship for her Master's. We are so thankful for the time and skill (plus laughs and hugsO she shared with Live & Learn. Returning to preschool for their second school year are Brittany Munnell and Chay Cadarette.

We are so excited that Meredith Wright will be staying with preschool part time while she is still at UNH finishing her BA in Psychology

In **kindergarten** we welcome back Molly Adams for her forth school year with kindergarten. We sadly say goodbye to Lizzy Murch our classroom aide who heads back to high school and a busy softball season.

Our **Rising Hawk** team waves goodbye to Michael while he returns to Plymouth and finishes his BS in Education. We are so lucky to see him during the school year on his breaks. Grace Tauriello heads back to Springfield college and hopefully returns next summer when she is home. Audrey Duvall, one of our awesome swim teachers, heads to college in RI, but promises to be back next summer.

Anna Prescott will stay part time as she works towards her BS in Human Development & Family Studies at UNH.

Shawn Middleton will be returning to afterschool during the school year to weave magic stories and challenge us at basketball. Amanda Szostak comes back for her second school year. Amanda is a student at UNH.

Everett Locker joined our team as a facilities manager. With his degree in Ministry and Youth Development we are thrilled that he floats into school age with ease.
