Happy St. Patrick's Day! :-)

We have been having a fun week with our tricky leprechaun! We have also been spending more time learning about and playing with dinosaurs!

Be on the lookout for emailed updates throughout the week of your child's day - we are starting to use a new app to share moments and increase communication!

Also, we are in the process of changing the layout of the preschool classrooms, so you might be seeing many changes in the environment.

Finally, our UNH field trip has been postponed to NEXT WEDNESDAY, MARCH 22ND, same time!

Have an awesome weekend! :-)
