**Horton Hears a Who  
(in the woods)  
AND  
Dr Seuss**

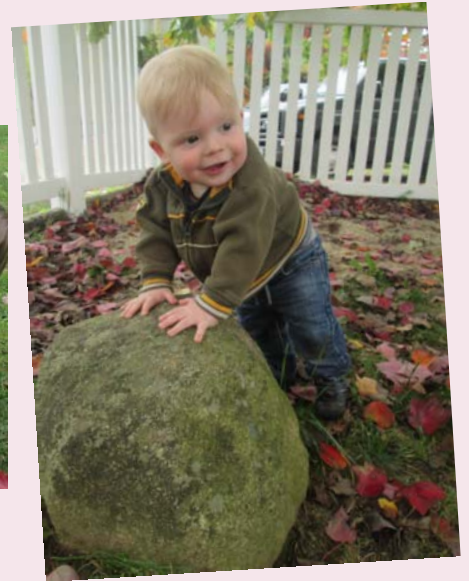

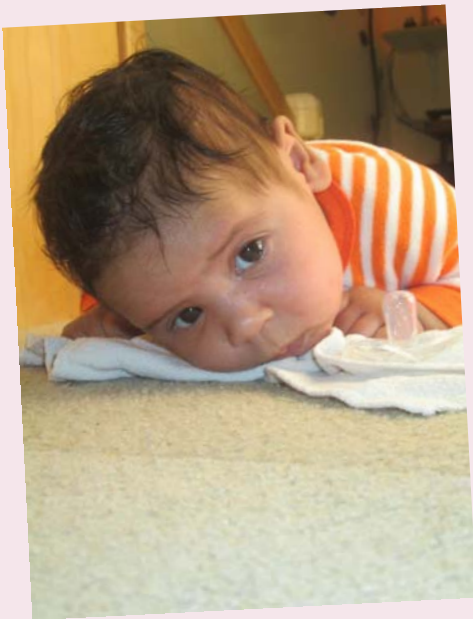

**Each classroom has picked a  
theme that is meaningful to the  
students in their rooms**

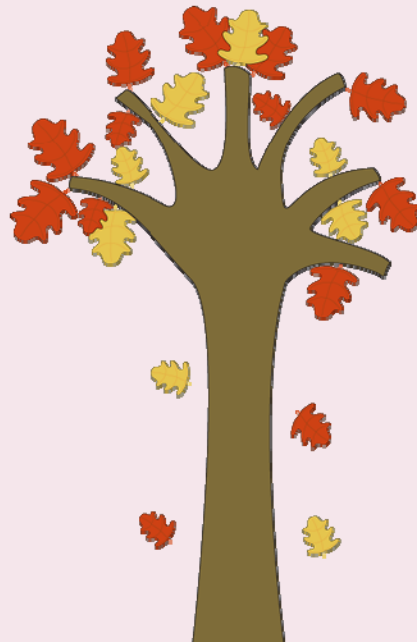

## **What Does the Event Look Like:**

- Everyone is welcome to come in costume .
- **There will be games to play in the toddler and kindergarten classrooms as well as outside and treats in the gym .**
- Preschool & Afterschool teams are running Gnome Homes and Fairy Houses Walk that families may take.
- We hand out candy and small prizes at each game. (please bring bag for treats!)
- There are potluck goodies (finger foods, snacks and drinks) that the families sign up to provide. Please sign up in each classroom.!
- In the past we have had bean bag toss, musical pumpkins, donuts off a string, outside activities, web search....
- **Come for as long or short a time as your family wants.**

It has been a busy week in the infant room this week. Some of the children have been working very hard on developmental milestones. We have learned to walk and are practicing sitting independently. The new infants have been getting to know each other. We have been spending as much time as possible outside before the weather turns cold.

INFANTS

# Younger Toddlers

This week was short but FULL of FUN! We did a lot of painting (and really tried to keep our clothing paint free, but it's really hard!) We sent mail through the Live and Learn post AND received mail back! Bekki is coming to make juice with us next week! We cannot wait! We have been really enjoying the ball pit and have requested to use it every day this week! On Thursday we made Butternut Squash Soup and Homemade dinner rolls for the staff!

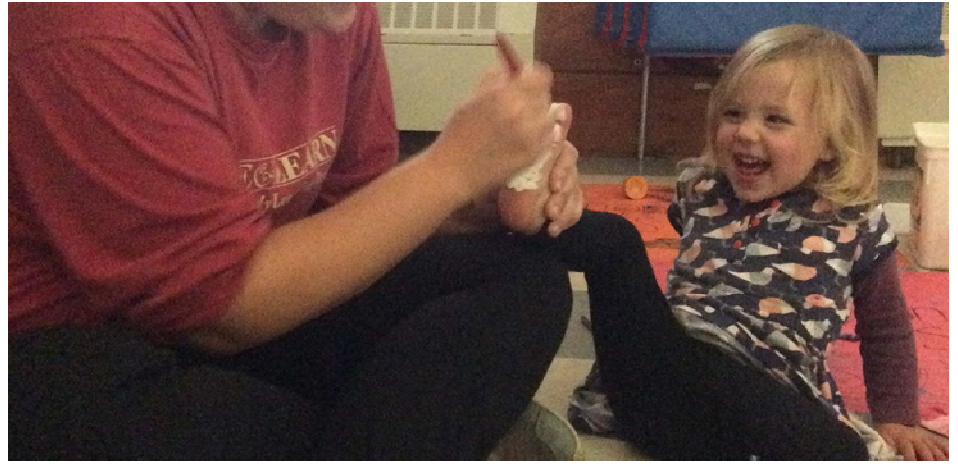

# Waddlers

Oh my goodness so much fun on our short week this week! We welcomed a new friend Luna to older toddlers, she is so much fun! We made homemade Butternut Squash Soup and homemade dinner rolls for the staff on Thursday! We think they enjoyed it! We made TWO separate birthday surprises this week, sorted fall shapes on the light table, did lots of painting and coloring and sang, "Let's Go Fly A Kite", at the top of our lungs while dancing! The Mary Poppins soundtrack is our new favorite!

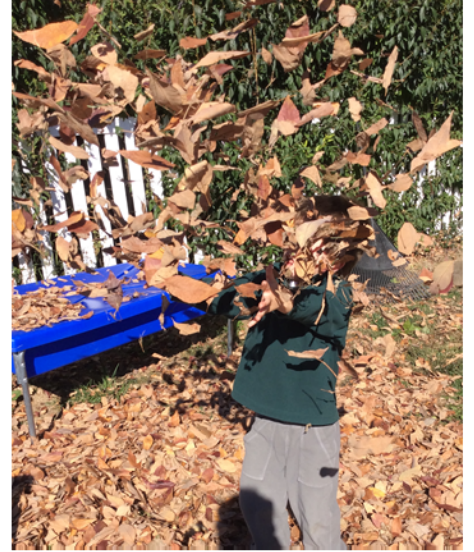

## Younger Preschool

We have fallen into Fall fun! You can never have too much fun in a giant pile of leaves. We have also been talking a lot about the season and what happens during this season, such as Halloween. Keep your eyes open for some spooky art work. We also worked with Older Preschool to create a lemonade stand to raise some money to help redesign our classes!

Reminder next Tuesday the 18th we have our community lunch please remember to bring in what you signed up for so we can prepare our lunch. No lunch is necessary for that day. Also keep your eyes open for another lemonade stand maybe next week we'll have cookies!

# Older Preschool

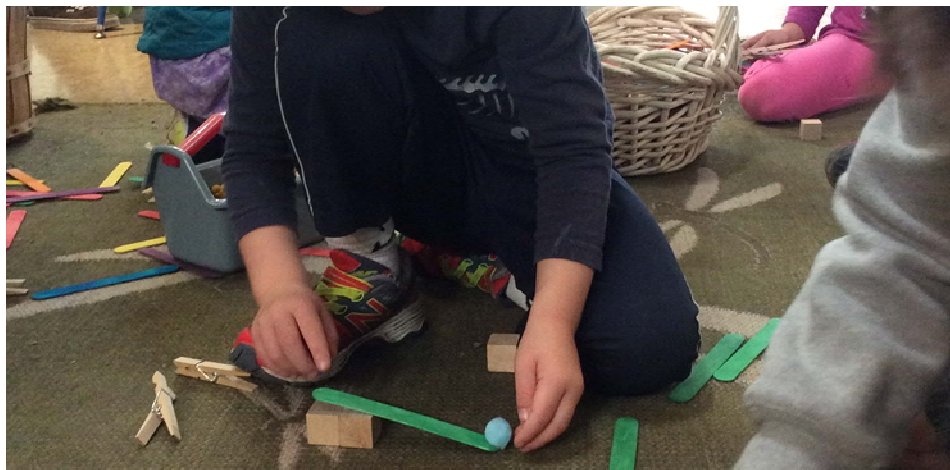

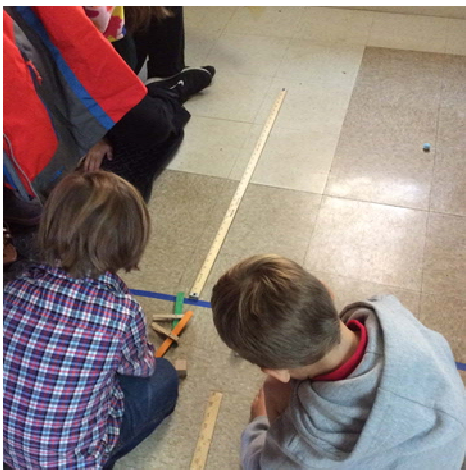

This fall weather is so lovely!

We have been so busy during this shorter week! We helped spread wood chips using the construction trucks and shovels. We also made apple cinnamon play dough, hammered colors from leaves and flowers, did some building activities, spin art, and played in the big leaf pile!

Don't forget to check out the interview and nature face display and guess who is who!

**Have a super weekend!! :)**

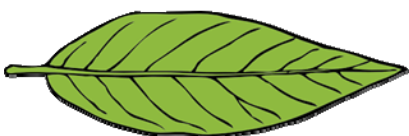

# Kindergarten

What a wonderful week! The children had new materials introduced to them this week! Popsicle sticks, wooden blocks and clothespins. The children sorted, built and experimented with catapulting. The children's week was full of art! Most of their work is displayed in the classroom! All of the children have shown great growth in their handwriting skills and it's great to see the development!

Have a great weekend♥

# Rising Hawk

**Fall is upon us!**  
And we've been busy with our autumn activities. A giant leaf pile greeted us Tuesday morning, and corn on the cob painting was a fun way to use some of our fall harvest.  
While the days are still warm, morning and afternoons are chilly--please make sure to send appropriate clothing
