Attention Public School Families:

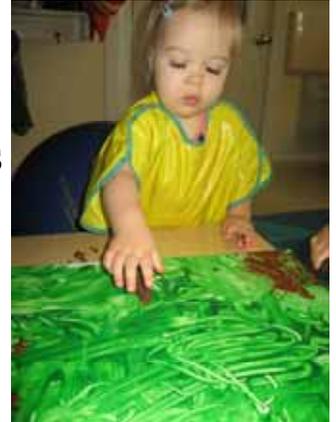

Mast Way has an early release on Thurs. June 14th then is closed for the summer. L&L will provide full day programming through Tues. June 19th. L&L is closed Wed.-Fri., June 20-22. You are financially responsible for anytime that you have signed up for whether or not your child attends. Sign-ups after June 8th are at the drop-in rate. Any questions? Don't hesitate to ask!

Infants:

The week the infants created a special masterpiece for our end of the year celebration! We also enjoyed shaving cream play, drawing with crayons, catching slugs (yuck!), dancing, and platform climbing. Several of the infants also explored compost and helped with herb planting. We also spent lots of time outside where our younger group became more aware of grass, sand, wind, and the leaves on the trees. Our infants really enjoyed seeing their loved ones

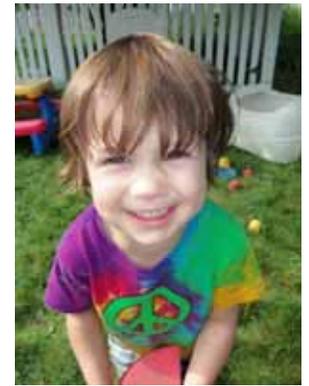

for our special person snack. Thank you to all who took the time to come and make this event a success! [Wish List:](#) We would love a new broom and dust pan now that sand-box season has started!

Toddlers:

We had a super busy week in Toddlers! We made yummy pumpkin waffles, listened to Mr. Ryan tell us stories, did lots of painting and music and

movement activities, and also did some baking! We had our special person snack and we also played with shaving cream and playdough! We had 2 babies born on Monday 6-4-12! Congrats to the Audets on their new baby girl and to the Titus family on their new

baby boy! **Thanks to the Tucker family for the awesome playground balls and to Courtney for the fantastic shovels!** Toddlers wishes to raise \$255 to purchase 3 toddler sized picnic tables for our playground. Do you have any fundraising ideas that would help meet your families needs while helping us raise the money? We'd love to hear from you!

Younger Preschool:

We were busy all week getting ready for the special person lunch on Thursday. We have

been doing lots of sensory and painting projects and have spent a lot of time outside. We have also been practicing using our words and taking turns. We also

really love playing with the tools that are now out in the classroom! **Thanks to Charlotte for the cookies she brought in to share! Thanks to Alex for bringing in some sunshine cupcakes to share!**

Older Preschool:

We can't believe the school year is almost over! Wow, it went so fast! We have enjoyed our outdoor classroom

already and have had a blast exploring it! Our garden is fantastic and we sent a book, *The Curious Garden*, to our friends in Dorchester, MA. We have been very excited about the special person lunch! Happy Father's Day to all of the super dads and grampys! **Wish List: used books to laminate for our outdoor classroom, 2-3 hermit crabs to keep our lonely hermit crab company.**

Kindergarten:

This was a fun and exciting week for Kindergarten! We started learning about and exploring nature! We went on nature walks and tried to find some part of nature for every letter of the alphabet. We learned all about flowers and how they drink water. On Monday we went to Kirkwood Corners and planted sunflowers with the residents and

made sunflowers with our handprints. On Thursday we had our special person lunch and 2 Lee firefighters came and joined us at the end. Firefighters Jim and Ben read us stories before rest time. Have a fantastic and safe week-end! Thank you so much to the Tucker family for our washcloths and sports balls! We super appreciate your generosity! June 19th is Kindergarten graduation! Wish list: food coloring!

School Age:

Afterschool has been super busy perfecting our acts for the Talent Show! We made some gak to sell at the bake sale, so make sure to check it out! We also made some clay creatures with our awesome 4th-grade teacher, Madison! We

started some more plants for our garden too!

Thanks to Sam's Gaga and the Tucker family for our new dry erase markers! Wish List: We would love some blueberry bushes to plant at camp!
