

# August

Fine Motor    Gross Motor    Literacy    Math    Science/Sensory Social/Emotional    Social Studies    Creative Arts

Wrapping baby doll in blanket	Learning to walk	Talking about gentle touches with our friends	Counting blocks while we stack them	Mixing paint colors together while painting	Learning sign language to communicate	Observing nature while on a walk	Finger painting while observing flowers
Grasping hanging toys with hand	Climbing up and down the stairs	Listening to name songs	Adding and dumping sand in a bucket	Explore the baby pool with water	Feeling happiness when reaching a developmental goal	Visiting the toddler classroom	Dancing with scarves
Tapping boomwhackers together	Practice crawling	Reading Chicka Chicka Boom Boom	Feeling the pressure while swinging in the swing	Observing nature while on a walk	Parallel playing with other children in the classroom	Watching the older children through the window	Singing together as a group
Stacking wood cookies	Using balance to stand	Listening to PaPa Joe tell stories	Learning the sign "more"	Observing flowers while painting	Practice being gentle with others	Looking at nature while finger painting	Mixing paint with our hands
Turning pages in books	Pulling up to stand at toy bin
