

February 2018

Fine Motor Gross Motor Literacy/Lang. Math Science/Sensory Social/Emotional Social Studies Creative Arts

Rolling ball back and forth	Bouncing on mattress	Listening to Papa Joe sing/play music	Asking for more food at a meal time	Looking through the colored blocks	Expressing our emotions when we are frustrated	Visiting the toddler classroom	Painting with ice cubes
Grasping toys with hands	Using balance while learning to walk	Hear books being read	Lifting the weighted ball to throw it	Investigating new sensory bottles	Sitting in a small group to hear a story	Waving hi to the children outside the window.	Mixing paint colors in a Ziploc bag
Squeezing playdough in our hands	Walking up and down on the structure stairs	Learning signs to communicate	Putting the puzzle shapes back on puzzle	Using our hands to explore the bumpy texture balls	Learning to communicate through sign language	Planting seeds with Garce	Singing songs with papa Joe
Controlling crayon to scribble	Learning to roll onto back/belly	Singing the rhyming song with each others names	Dumping toys out of baskets	Experiment with what can stick to contact paper	Noticing ourselves in the mirror	Watching the snow fall out the window	Build towers with blocks
Scooping snow with a cup	Clapping hands while listening to music	Talking about new children in the classroom	Counting the fish in the fish tank		Meeting new friends in the classroom	Noticing there are little babies in the classroom	Dancing while listening to fun music
							Scribbling with crayons
